neat.pad

One touch. Two roles.

Neat Pad is a simple and elegant touch screen that you can configure as a Zoom Rooms controller for any Zoom Room or as a scheduling display for any meeting room. With its sleek design, including ideal screen angle for smooth interaction and viewing, Neat Pad is purpose-built for meeting rooms and beautifully blends in anywhere, whether placed on a table, wall or elsewhere. It's always powered up and ready for you to leap into action delivering twice the elegance.

Just works.

Neat Pad's controller function has two built-in microphones and once enabled with an upcoming software release, will offer enhanced audio pickup to support even larger meeting rooms or when facing away from the screen. While Neat Pad's scheduling function displays all events booked in the meeting room, with red and green side LED indicators showing the availability of the room at any given time.

Simple set-up.

Neat Pad ships with a wall and side mount, so it's easy for anyone to install and set up. Use the wall mount to fix Neat Pad to your meeting room wall as a controller or outside your meeting room as a scheduling display. With the side mount, you can secure Neat Pad to the edge of your doorframe or mullion. Thanks to just one Power over Ethernet cable, Neat Pad is always alert and set to go.
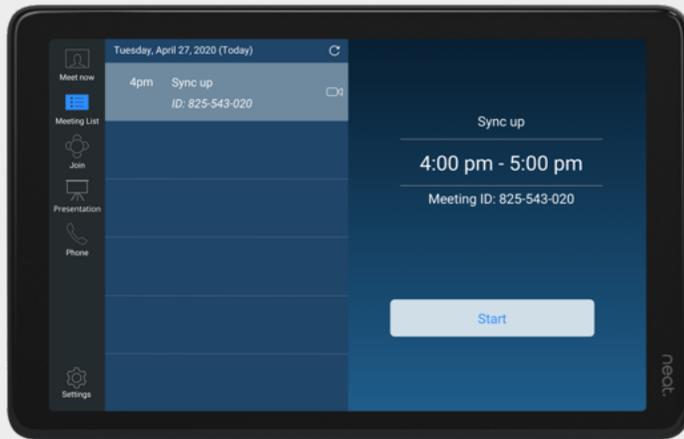

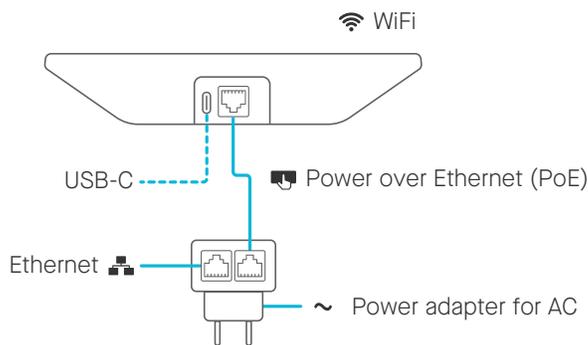

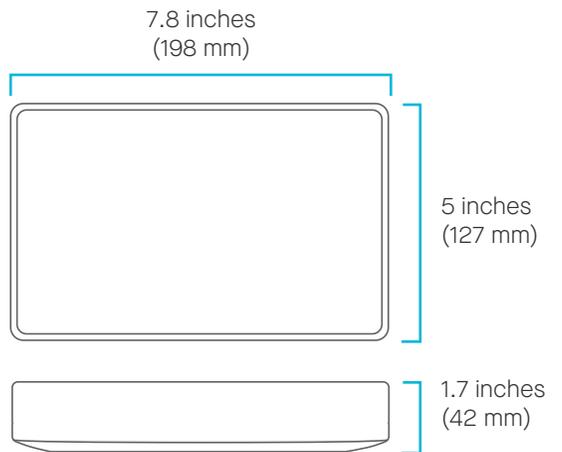

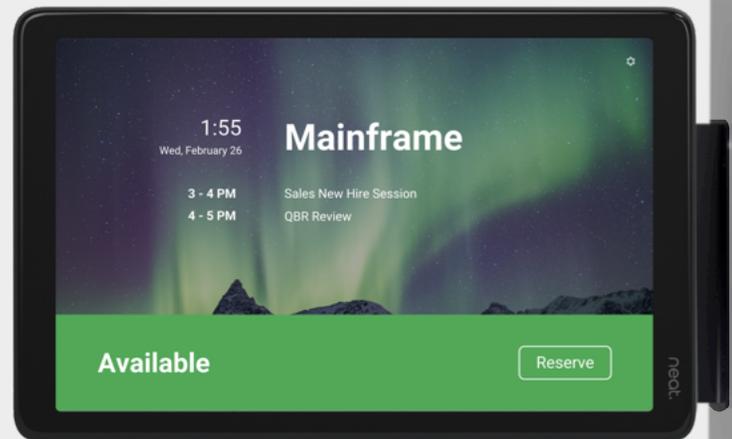

Managed & Supported by Zoom.

Neat removes complexities and threats with our secure, single-purpose hardware devices. Our upcoming software update will empower you to upgrade everything from your Zoom account with just one click. Neat Pad's built-in environmental sensors will also soon provide valuable insights directly to the Zoom portal, providing additional ways to monitor your meeting spaces. Plus, Zoom is your single point of contact for support.

Tap "Start" for a seamless joining experience from any Zoom Room.

Add a scheduler to show meeting events from outside any meeting room.
